Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of October 25, 2023 under the ***Freedom of Information and Protection of Privacy Act*** for:

Record of underfloor piping and sewer system for 534 E Cordova Street.

All responsive records are attached*. Some information in the records has been severed (blacked out) under s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00.

*Please note, staff in Development, Buildings & Licensing, as well as staff in Engineering, have confirmed they do not have record specific to an underfloor piping and sewer system for the subject property, beyond what has been provided here. Additionally, staff in Sewers & Drainage Design and Waterworks Operations advised that piping/sewer system relates to private-side plumbing for the building/property and Engineering does not keep private side records.

However, it is possible that the building plan may provide some indication of the underfloor piping and sewer system. Please note that architectural plans and drawings are available from the Development and Building Services Centre with the owners' written permission, and therefore are not subject to the Act under s.3(5)(a). Please see the following link for more information on obtaining property records (which also explains in greater detail the process for obtaining or viewing plans), and to submit your request online: <http://vancouver.ca/home-property-development/get-copies-of-your-building-plans.aspx>.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2023-667); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
