Subject: Update: Evelyne Saller Centre open and offering services

---

Good afternoon Mayor and Council,

The Evelyne Saller Centre will be able to resume normal temporary winter shelter (TWS) operations tonight. There do remain some flood impacts to part of the cafeteria, but staff opened on time and food service is uninterrupted. I'd like to once again recognize the teams in ACCS, Communications, and VEMA who all worked together last night to ensure TWS service continuity and to REFEM for their response last night and their ongoing work on facilities restoration at Evelyne Saller.

Thank you,  
Sandra
