Dear Mayor and Council,

I am writing to inform you that the City will be issuing the below information bulletin this afternoon regarding helicopter filming tomorrow evening over the Burrard Inlet by the Rogers Factory. There will not be any traffic impacts but given the time of day this is happening, we want to ensure media and the public are aware.

Please keep this information embargoed until it goes live from the City media email account later this afternoon.

Maria will reply to this email with the relevant vancouver.ca link and social media links, once these are live.

Best,
Paul
