Subject: Update: Gas Leak and Evacuation DTES

Fortis has made entry into the building and gas levels have dropped.

Occupants are now permitted to return to the buildings.

Subject: Gas Leak and Evacuation DTES

Council

Please be advised that our crews are on scene in the area of Alexander St/Main St for a significant gas leak. Fortis BC is on scene addressing the incident.

A couple of buildings have been evacuated out of caution in the area.

Trains have been stopped as well.

Hydro on Scene, VPD and multiple fire apparatus.

I will follow up once we are sure that the leak has remedied and the area is safe.

Karen
