Subject: Opportunity to tour Olympic Village NEU

Good morning Mayor and Council,

Port Moody City Council is investigating the potential for sewage heat recovery in Port Moody and has requested a tour of the Neighbourhood Energy Utility (NEU) in South False Creek in September 2024. The specific date is still to be confirmed.

If any of you are interested in participating in this tour along with your colleagues from Port Moody, please advise your assistant or Lesley Matthews.

Many thanks,
Paul
