Dear s.22(1)

**Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of January 26, 2024 under the *Freedom of Information and Protection of Privacy Act* for:

**Record of inventory of trees regarding the Stanley Park Tree Removal. Date range: January 1, 2020 to January 25, 2024.**

We have completed the search for responsive records for this request and no responsive records have been located. Park Board staff have confirmed that there is no record of a tree inventory. However, please note that the Stanley Park Hemlock Looper Impact and Wildfire Risk Assessment report is publicly available on the City's website, which may be of interest to you. You may find the report at the following location: <https://vancouver.ca/files/cov/stanley-park-hemlock-looper-report.pdf>.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.
