Press Conference

Friday July 5th

11am – 12pm

@ Playland

Reserved parking will be through Gate 9 (off of Bridgeway Street as shown on the attached map) and the entrance to Playland will be through gate 11 (also indicated on the attached map).

What to expect

ThunderVolt is the most significant Playland investment in the PNE's history and is Canada's fastest launch coaster! We partnered with Zamperla, global leaders in roller coaster design and engineering to bring this Coaster to life and we cant wait to share it with you. ThunderVolt's supernatural experience blasts off with 1.3 G's of acceleration through an illuminated tunnel and up a steep incline before a heart dropping 18-metre fall. You will experience twists, turns and high speed thrills over the 380m track length.

We hope you can join us for this special preview before we open the ride to the public on July 6 at 11 am.

See you there!

Shelley & Sarah
