Subject: Tentative settlement - IBEW Local 213

Good afternoon Mayor and Council,

I am pleased to advise that our negotiating team has concluded a tentative settlement to renew the City's collective agreement with IBEW 213 covering electrical technicians and inspectors. We have a second IBEW bargaining unit comprising electrical operations workers that has not yet settled.

The tentative settlement provides for a four-year agreement with compensation adjustments equivalent to the settlement reached with CUPE 1004.

The settlement is subject to ratification by the union membership and by Council. We are aiming to present it for your consideration as soon as possible.

In the interim, please let me or Andrew know if you have any questions.

Best,
Paul
