Subject: Incident on Kent St: VFRS responding

---

Hello Mayor and Council,

As an FYI, VFRS crews are responding to a single vehicle accident involving a semi tractor trailer on Kent St. The vehicle jack-knifed and caused one of the saddle fuel tanks to rupture. Approximately 100 litres of diesel fuel spilled. The Hazmat team is on scene for a fuel transfer. Some of the spilled fuel flowed into the storm drain. Accordingly, Department of Fisheries and Oceans and the Environmental Protection Branch have been notified.

Thanks,  
Sandra
