Subject: CANTF-1 deployed to Chilcotin River Landslide Incident Management Team

Good morning Mayor and Council,

This is a brief email to update you that the Provincial Emergency Coordination Centre (PECC) has requested resources from our VFRS CANTF-1 to assist with various Incident Management Team (IMT) functions in response to the Chilcotin River Landslide. Accordingly, VFRS will be deploying three City of Vancouver CANTF-1 staff beginning with the first today. Costs for these employees will be submitted for reimbursement.

This request is a testament to VFRS' level of skill and value in the province during large scale emergencies.

Thank you,

Sandra
