Subject: Working fire - 414 E 10th Ave

Good evening Mayor and Council,

I am writing to advise that VFRS is currently responding to a 2nd alarm at the above address. You may recall that this building has been vacant since a large fire last year and has been the subject of ongoing enforcement subsequent to that event.

The Deputy Chief Building Official is presently on scene. Confidentially, given the additional damage associated with the current fire, he has indicated that he will be ordering the immediate demolition of the building.

Best,
Paul
