Subject: Use of civic facilities for election campaign activity

Good afternoon Mayor and Council,

For your reference, the following policy sets out the parameters for the use of City and Park Board land and facilities for campaign activities: <https://policy.vancouver.ca/ADMIN012.pdf>

In summary, campaigning is prohibited in City and Park Board facilities except only in spaces that are available for rental. In such instances, all campaign activities, communication materials, etc. must be contained within the rented space. Campaigning is permitted in the public realm and in parks provided there is no disruption to public access or civic operations and there is compliance with any special event permit requirements.

Please let me know if you have any questions regarding this matter.

Best,
Paul
