Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of February 8, 2024 under the *Freedom of Information and Protection of Privacy Act* for:

Total number of parking spaces per year, calculated similarly to the dataset relating to the number of City paid parking meter spaces provided on the City's Open Data Portal. Date range: 2014 to 2023.

We have completed the search for responsive records for this request and no responsive records have been located. Staff in both Parking Management and Enterprise Data & Analytics (Open Data team) have confirmed that the data for number of parking spaces is not something that has been tracked year over year. The information that appears on Open Data is updated on a continual basis and does not provide historical data for previous years; therefore, there are no responsive records.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2024-094); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
