Good morning Mayor and Council,

We recently received a Council inquiry regarding City grants for services in the DTES. Please find attached a spreadsheet that provides a listing of select 2024 Council approved grants. Key points:

- Grants are for services delivered by non-profits in the DTES.
- The Workbook includes ACCS grants and PDS Special Enterprise Grants.
- PDS-administered grants to BIAs, funding flow-through to VPD for CPCs, and the Engineering Services' DTES public realm micro-cleaning grants are not included.
- Time frame is 2024 grants, with recommendations coming to Council this week highlighted.

If you have any questions, please feel free to contact me directly and I will liaise with the appropriate General Manager for a response through the weekly Q&A.

Thank you,

Sandra
