Dear s.22(1)

**Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of February 22, 2024 under the *Freedom of Information and Protection of Privacy Act* for:

**Record of agreements and other arrangements for land exchanges and transfers related to the viaduct removal and Northeast False Creek planning. Date range: January 1, 2018 to October 31, 2018.**

We have completed the search for responsive records for this request and no responsive records have been located. Please note that Real Estate Services, Engineering (NEFC Infrastructure Delivery Branch), Planning, Urban Design and Sustainability, and Legal Services have all confirmed there are no records responsive to your request.

Staff have noted that while not directly responsive to the request, the publicly available Plaza of Nations Rezoning Report may be of interest, as this rezoning application was approved in principle by Council on July 12, 2018 and set conditions for rezoning enactment, including certain road dedications/transfers to the City adjacent to the Site. However, these rezoning conditions have not been fulfilled and no transfers or dedications have occurred, and the rezoning has not been enacted. Please see Item 6 of the Public Hearing Agenda for further information: <https://council.vancouver.ca/20180710/phea20180710ag.htm>.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2024-123); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

*[Signed by Cobi Falconer]*
