Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of June 4, 2024 under the *Freedom of Information and Protection of Privacy Act* for:

Record that confirms whether the HOV traffic lanes at the intersections of E. 7th and Main St. and E. 6th and Main St. were closed with large orange barrels on October 26, 2023, at 3:14 pm.

We have completed the search for responsive records for this request and no responsive records have been located. The Director of Projects (Engineering Services), as well as staff from the following departments, have all confirmed they have no records responsive to your request: Transportation Division – Traffic & Data Management, Safety & Operations – Streets Division – Traffic and Electrical Operations Branch, and Street Operations Branch.

Street Operations staff also noted it could have been a third party utility or private construction that had closed lanes (if they were closed), though no City records were found.

Under section 52 of the Act, and within 30 business days of receipt of this letter, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (#04-1000-20-2024-342); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
