Subject: Minor earthquake

Mayor and Council,

As you may have noticed, Vancouver was affected by a minor earthquake a few minutes ago. The epicentre is reported to be on the Sunshine Coast.

At present, we have no reports of any damage to buildings or infrastructure. Out of an abundance of caution, we will be conducting inspections of vulnerable structures.

We will share any additional information as may be relevant. If you have any questions or concerns, please let me know.

Best,

Paul
