Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of January 15, 2025 under the *Freedom of Information and Protection of Privacy Act* for:

1. **Record of the tree maintenance program on Trinity Street near 2452 Trinity Street from June 1, 2024 to November 7, 2024; and**
2. **Record of the removal of trees, and trees planted after November 7, 2024 to January 15, 2025, on Trinity Street near 2452 Trinity Street.**

All responsive records are attached. Some information in the records has been severed (blacked out) under s.22(1) of the Act. You can read or download this section here: http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00.

Park Board staff have advised our office that there are no records in relation to the planting of trees after November 7, 2024. Tree plantings are triggered automatically once the location is ready for planting. The referenced location currently has a stump which needs to be removed prior to planting. Stump removal and planting across the city take place in chronological order.

Under Part 5 of the Act, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (2025-031); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
