Good morning Councillor,

The proposed amendments to the VBBL include harmonizing with the BCBC on climbable guardrails. Should Council approve, we will be aligned with the rest of the province on that item.

Thanks,

Hi Saul,

Does the new 2025 VBBL include the railing provisions/changes we previously discussed? I can't recall if it was going to be included in the new VBBL or if it needs to come to a public hearing?
