Dear s.22(1)

Re: Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")

I am responding to your request of February 6, 2025 under the *Freedom of Information and Protection of Privacy Act* for:

CCTV footage from the north-facing camera at Main Street and Terminal Avenue between 10:15pm and 10:30pm on February 4, 2025.

We have completed the search for responsive records for this request and no responsive records have been located*. Traffic and Data Management staff have confirmed there is no video footage from the north-facing camera.

*Please note, Traffic and Data Management staff have advised that there is footage from the west leg (east-facing camera) within the specified date and time of your request. If you wish to obtain this footage, a Law Enforcement Request will need to be submitted by the Vancouver Police Department (VPD) in accordance with s.33(3)(d) of the Act. VPD staff can submit their request for the footage to privacy@vancouver.ca.

Please see the "Law enforcement requests" section on the following City website for more information: <https://vancouver.ca/your-government/privacy-protection.aspx>.

Additionally, you may find value in requesting a traffic signal timing report, which may be obtained routinely for a fee by contacting the Traffic and Data Management Branch of Engineering Services. Please see the following link for more information on ordering this report: <http://vancouver.ca/streets-transportation/traffic-signal-timing-reports.asp>.

Under Part 5 of the Act, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (2025-087); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.
