Subject: Feedback on draft budget amendments

Mayor and Council,

As in prior years, staff can provide feedback on draft amendments to the budget for the November 25th Council meeting. This provides an opportunity to identify in advance any procedural or legal considerations, funding restrictions or suggested revisions. Please email draft amendments as early as possible to me and cc Donny, and I will coordinate getting feedback to you as soon as possible. Please continue to send final amendments to City Clerks as per the standard process.

With thanks,

Colin Knight
