**Subject:** Update: Power Outage at City Hall - 3rd Floor Access

---

Good morning Mayor and Council,

Further to below, the power is still out at City Hall, however the 3<sup>rd</sup> floor has back up power so if you do wish to come to the office, please feel free to do so. However, please note that as power is off to the rest of the buildings (except emergency systems) and as a result elevators are non-operational and other floors only have emergency systems.

If you do choose to work at City Hall today, we would ask that you limit any public visitors for the duration of the broader outage.

Thank you,

Sandra

Hello Mayor and Council,

Please note that we are currently experiencing a power outage at City Hall and have no update from BC Hydro as to resolution.

For now, we are asking staff to work from home for the day.

We do have some hoteling desk space at West Annex. Please let me know if you need access to a hoteling desk.

Thank you,

Sandra
