*Please note, Water & Utilities Management staff have advised our office that there are no responsive records in relation to the locations noted in points three to five, as these data centres are located in buildings with multiple units and the water consumption/usage is not disaggregated per individual unit.

To assist with understanding the data within the records, please visit the following City of Vancouver website relating to understanding utility bills: <https://vancouver.ca/home-property-development/water-and-sewer-bill.aspx>.

Under Part 5 of the Act, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (2025-343); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

[Signed by Cobi Falconer]
