Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of June 12, 2025 under the ***Freedom of Information and Protection of Privacy Act*** for:

A list of property addresses that were notified by the City between January 1, 2024 to June 11, 2025 for being non-compliant with the one-year testing requirement for testable backflow prevention assemblies, as outlined in Section 9(4.2)(b), 9(4.3)(e), and 9(4.11)(b)(ii) of Vancouver Bylaw No. 11408; and which of these properties remain outstanding in fulfilling their annual testing requirement (i.e. still in contravention of the bylaw).

All responsive records are attached. Some information in the records has been severed (blacked out) under s.22(1) of the Act. You can read or download this section here:

http://www.bclaws.ca/EPLibraries/bclaws_new/document/ID/freeside/96165_00.

Under Part 5 of the Act, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (2025-368); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,
