Dear s.22(1)

Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the “Act”)**

I am responding to your request of November 14, 2025 under the **Freedom of Information and Protection of Privacy Act** for:

**Record of any video surveillance collected on October 19, 2023 around 10:50am from the Vancity Corner Store at the intersection of East Hastings Street and Columbia Street.**

We have completed the search for responsive records for this request and no responsive records have been located. Traffic and Data Management staff have confirmed there is no video footage responsive to your request.

Please note, you may find value in requesting a traffic signal timing report, which may be obtained routinely for a fee by contacting the Traffic and Data Management Branch of Engineering Services. Please see the following link for more information on ordering this report: <https://vancouver.ca/streets-transportation/traffic-signal-timing-reports.aspx>.

Please also note, City Protective Services would not have any footage due to the age of the requested records and in relation to standard retention policies.

Under Part 5 of the Act, you may ask the Information & Privacy Commissioner to review any matter related to the City’s response to your FOI request by writing to: Office of the Information & Privacy Commissioner, [info@oipc.bc.ca](mailto:info@oipc.bc.ca) or by phoning 250-387-5629.

If you request a review, please provide the Commissioner’s office with: 1) the request number (2025-906); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.

Yours truly,

*[Signed by Cobi Falconer]*
