Subject: Upcoming information bulletin: Burrard Street Bridge temporary vehicle closure this weekend

Dear Mayor and Council,

The City will be issuing information bulletin below regarding the temporary closure of the Burrard Bridge to vehicle traffic on Saturday and Sunday mornings this weekend, to support a crane dismantle at the Sená w development.

Chris will share the Vancouver.ca and social links when these are live.

Thanks,

Donny

Traffic Advisory
March 5, 2026

Burrard Street Bridge temporary vehicle closure this weekend

On Saturday, March 7 and Sunday, March 8, the Burrard St. Bridge will be temporarily closed

to all vehicle traffic between 7 am and noon.

This morning closure is required to support the removal of a large crane at the [Sená w](#) development next to the bridge. The bridge is anticipated to fully reopen at noon on both days.

Traffic impacts

- Drivers: All vehicle lanes on the bridge deck will be closed. Plan an alternate route.
- Cyclists: The east side bike lane will remain open for cyclists travelling northbound. Those travelling southbound will be required to dismount and walk their bikes along the east side sidewalk, or [plan an alternate cycle route](#).
- Pedestrians: The east side sidewalk will remain open for pedestrians crossing the bridge.

If you are travelling in and around the area this weekend, including sport fans heading to Rugby Sevens at BC Place, plan ahead and allow extra time for your journey. VPD traffic control personnel will be on site to support the public throughout the closure.

Traffic tips

- Buses that use Burrard St. Bridge will be rerouted – visit [translink.ca/alerts](#) for changes to your bus service.
- Open your map app, follow #VanTraffic or use [traffic cameras](#) to check traffic conditions along your route before you travel.
- To stay ahead of road closures throughout the city, visit [vancouver.ca/roadahead](#).
