Subject: E-Comm Strike Notice

Dear Mayor and Council,

We have just learned that E-Comm CUPE 8911 has issued 72-hour strike notice. The City has submitted a common site application to the Labour Relations Board and have a hearing scheduled tomorrow morning.

Through this, we anticipate the City and FWC26 teams will not have any issues accessing and operating within the Emergency Operations Centre, and our FWC26 operations will be not negatively impacted.

Thanks,

Karen
