Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of May 19, 2026 under the *Freedom of Information and Protection of Privacy Act* for:

Records of Mayor Sim's chat logs with any and all LLM/AI agents including but not limited to ChatGPT, Claude, Google Gemini, Copilot, Agentforce, Zendesk, Boost.ai and others. Date range: January 1, 2025 and May 18, 2026.

The City has reviewed your request and has determined that there are no responsive records to which you have a right to access under the Act. Based upon its investigations, the City has concluded that the requested records are outside of the scope of the Act as they do not relate to the business of the public body (section 3(5)(b)) and are records of metadata (section 3(5)(c)). You can read or download these sections here:
