Dear Mayor and Council,

The GM of Arts Culture and Community Services is pleased to forward you an invitation on behalf of the South Vancouver Neighbourhood House to a media and community event celebrating the official opening of Salmon Stone Childcare Centre.

Salmon Stone Childcare is a brand new 49-space childcare facility in the West Fraserlands area of South Vancouver. The childcare is co-located with a new fieldhouse and washrooms supporting community recreation at Riverfront Park. The City of Vancouver proudly contributed \$10.7M to the project through Community Amenity Contributions. The Province of BC also contributed \$6.2M to the childcare.

Since Council's adoption of the Making Strides: Vancouver's 10-year Childcare Strategy in 2022, the City has accelerated efforts to find new and creative ways to deliver childcare in communities across Vancouver, while supporting the Provincial and Federal Governments in advancing their goal of a new, universal system of early care and learning. Salmon Stone is the fourth City-facilitated childcare to open in Vancouver since 2024, with two additional centres scheduled to open in the coming year in Coal Harbour and Oakridge.
