Dear Mayor and Council,

Below is a communique from Nancy Clair, E-Comm's Acting CEO, concerning their union's strike vote this week.

The FIFA World Cup 26 team is fully aware of these circumstances, and are working closely with E-Comm management to ensure there is no impact to the event, or to the wider safety and security of Vancouver's residents, businesses and visitors during the event period.

We will keep you apprised as things progress.

Thanks,

Karen
