Subject: Status Update - Permanent Plaza Program

Rowley, Cheryl <Cheryl.Rowley@vancouver.ca>

Dear Mayor and Council,

This email provides a status update on the Permanent Plaza Program ("Permanent Plazas").

The permanent plazas at Cambie Street & 18th Avenue and Kamloops Street & Hastings Street are opening today, May 22, with the remaining plaza locations at Main Street & 14th Avenue and Granville Street & 14th Avenue anticipated to open on June 5.

Community partners have been advised of the openings and are excited to begin welcoming residents and visitors into the spaces this summer, including future community programming and activation opportunities. Following opening, minor deficiency and refinement work will continue at select locations to finalize remaining construction items.

There will be an upcoming media announcement regarding the plaza openings. More information will be shared next week

If you have any questions, please contact me directly.

Thanks,

Lon

Lon LaClaire, M.Eng., P.Eng.
