Subject: ACCS Q1 2026 Grant Report

Attachments: Summary of Operating and Capital ACCS Grants Q1 2026.pdf

Dear Mayor and Council

Please find attached a summary of Council approved grants for Q1 2026.

During Q1 2026, Council approved grant recommendations of \$14,223,977 (operating and capital) for 2026 distribution. Attached you will find the summary and details of the Grants.

Please note the following about the report structure:

- Operating and capital grants are separated in the report and then summarized by the teams who administer the grant (Arts and Culture, Housing and Homelessness Services, Social Policy, Childcare).
- Both the operating and capital sections of the report begin with a summary page (page #1 and #15), followed by quarterly detailed tables providing information such as the grant stream, applicant, amount approved for 2026 (as well as any future years, if relevant), along with the RTS number.

In May 2026, the OAG released findings from the audit of the ACCS grant programs. In the coming months staff will be advancing recommendations from the audit report including consideration of changes to ongoing reporting.

Please contact me with any questions and I would be pleased to provide a response.

Thanks,

Margaret
