Re: **Request for Access to Records under the Freedom of Information and Protection of Privacy Act (the "Act")**

I am responding to your request of July 2, 2026 under the *Freedom of Information and Protection of Privacy Act* for:

Record of red-light infraction photos and traffic camera footage from the intersection at Argyle Street and SE Marine Drive on June 25, 2026 between 8:50 pm and 9:15 pm regarding an incident involving the specified vehicles.

We have completed the search for responsive records for this request and no responsive records have been located. Traffic and Data Management staff have confirmed there is no video footage responsive to your request; the City of Vancouver does not have access to video or images from enforcement cameras. Please contact RoadSafety BC (within the Ministry of Public Safety and Solicitor General of the Province of BC), whose website can be accessed here: <https://www2.gov.bc.ca/gov/content/transportation/driving-and-cycling/roadsafetybc>.

Please note, you may find value in requesting a traffic signal timing report, which may be obtained routinely for a fee by contacting the Traffic and Data Management Branch of Engineering Services. Please see the following link for more information on ordering this report: <https://vancouver.ca/streets-transportation/traffic-signal-timing-reports.aspx>.

Under Part 5 of the Act, you may ask the Information & Privacy Commissioner to review any matter related to the City's response to your FOI request by writing to: Office of the Information & Privacy Commissioner, info@oipc.bc.ca or by phoning 250-387-5629.

If you request a review, please provide the Commissioner's office with: 1) the request number (2026-590); 2) a copy of this letter; 3) a copy of your original request; and 4) detailed reasons why you are seeking the review.
