Subject: Upcoming Bus Lane Changes on 49th Avenue

Dear Resident or Business Owner,

We are writing to inform you of planned bus lane changes on 49th Ave, and to seek your input on potential impacts to parking and loading.

The City of Vancouver plans to add bus lanes on 49th Ave between Fraser St and Boundary Rd, from fall 2026 to spring 2027 in coordination with roadway repaving.

These improvements will:

- help buses move smoothly through traffic and stay on time.
- improve travel times and reliability for over 35,000 weekday bus trips while maintaining access to businesses.
- support City Council direction to prioritize transit on 49th Ave and eight other corridors, to achieve a 10% improvement in bus travel times and reliability.

What's Changing

Bus Lanes on 49th Ave (Fraser St to Boundary Rd)

The curb lanes are planned to become bus lanes in both directions on 49th Ave, between Fraser St and Boundary Road (see map on page 3).

- Between Fraser St and Tyne St, bus lanes are planned to be in effect from 7am to 7pm, Mon to Sat.
- Between Tyne St and Boundary Rd, bus lanes are planned to be in effect from 7am to 7pm, 7 days a week.

Curbside parking will be restricted during bus lane hours and at the approaches to intersections. High occupancy vehicles (HOVs) are not permitted to travel in the bus lane. Vehicles may enter the bus lane to make right turns when approaching an intersection or driveway.

Bus Lanes on 49th Ave (Cambie St to Fraser St)

Bus lanes will be added on both sides of 49th Avenue between Cambie Street and Fraser Street starting in the fall, coordinated with roadway restoration. The bus lanes will operate from 7:00 a.m. to 7:00 p.m., Monday to Saturday, with parking restricted during these hours.

Have your say – tell us about your loading and parking needs

We understand that changes to curb space may affect pick-ups, deliveries, and parking. To help reduce these impacts, we are exploring additional loading zones and permit parking on nearby side streets. Your input will help us better understand loading needs and consider changes to loading zones and side-street parking.

Complete our **online survey** to share your loading and parking needs or any additional feedback, available **May 11 – June 1**: vancouver.ca/49Ave-Transit or scan the **QR code** below:
