	Remark	Action	Due by
3.01	Picnic tables are great – need more scattered over the park.		INFO
3.02	Make a natural park and not a playground.		INFO
3.03	Nice work.		INFO
3.04	Remove beach and make green.		INFO
3.05	Must have traffic calming on side streets such as National Avenue – change the bus route if necessary and do not use the bus route as an excuse.		INFO
3.06	Need something to keep cars off park.		INFO

Meeting Minutes No. 3 continued

3.07	It is awesome!	INFO
3.08	None of this is worth discussing until the traffic situation, both temporary and final solution is rectified. Currently a master plan involving traffic placement has not been finalized. Let's see what traffic movement will look like from downtown to Clark Drive so we can see how it will affect the neighbourhood. Fewer cars and slower traffic is a must!	INFO
3.09	I support the plan. Resident Station Place 1255 Main St.	INFO
3.10	It's great as long as it doesn't conflict with the ultimate park design.	INFO
3.11	What about porta potties?	INFO
3.12	No geese.	INFO
3.13	We need a lit Christmas tree in the park.	INFO
3.14	Need something that commemorates the Olympics.	INFO
3.15	Concerns about homeless and drug users. Already problems with discarded needles in present grass areas.	INFO
3.16	Raised platform or stage. More than one, possibly in the middle of the boulders.	INFO
3.17	I am happy with it.	INFO
3.18	Looks good! We like it better than the parking lot.	INFO
3.19	Need a coffee kiosk.	INFO
3.20	Public speaking. Place for the community to get together and chat. Similar to Trillium Park half circle, but more inviting.	INFO
3.21	Put in hidden porta potties.	INFO
3.22	Needs lighting.	INFO
3.23	Needs a pop-up pool.	INFO
3.24	I think it looks great!	INFO
3.25	Would like a kiosk, food truck or lemonade stand.	INFO
3.26	More green, less hardscape, consider relocating the volleyball court, reflection pond.	INFO
3.27	More natural.	INFO
3.28	More green is better.	INFO
3.29	Why do we need this lame road? We need more green space.	INFO
