This needs to be applied  
to other neighbourhoods  
e.g. Mt Pleasant.

- Great Forum! Keep up the good work.
- Affordability - key element to resolve.
  - San Francisco legacy program may provide valuable insight.
- Bring young Chinese back.
- Initiatives to bring EURO Chinese residents back to Chinatown to eat, work, play.
- Maintain affordable housing.
  - ! Tax initiatives to keep low to business killer.
- Very interesting discussion but felt the discussion around the viability and challenge of running a business was missing.
  - what type of businesses the room would like to see & would be supported and financially viable/sustainable by the market
