Comox & Helmcken - Thurlow to Hornby
Proposed Design

WHAT IS DIFFERENT? WHAT IS DIFFERENT? WHY?

One-way street westbound for vehicles between Thurlow and Burrard
• To reduce vehicle volumes while maintaining access for residents, hotel guests, hospital visitors and emergency vehicles

One-way street eastbound for vehicles between Burrard and Hornby
• To improve safety for all road users
• To maintain traffic flow at intersection of Burrard and Comox
• To allow direct access to parkade for hotel guests

Two-way separated bike lane on the north side of Comox
• To improve safety for all road users
• To provide a comfortable cycling experience for people of all ages and abilities

Two-way separated bike lane on the south side of Helmcken between Burrard and Hornby
• To provide a comfortable cycling environment suitable for people of all ages and abilities
• To maintain emergency vehicle access

On-street parking removed
• To provide space for the one-way traffic and two-way separated bike lane
• To maintain emergency vehicle access

Traffic signal proposed at the intersection of Comox and Burrard
• To provide safe and controlled traffic flow to/from Comox
• To provide a safe and accessible crossing for pedestrians and cyclists

Two-way separated bike lane on the east side of Burrard between Comox and Helmcken
• To provide a cycling connection between Comox and Helmcken suitable for people of all ages and abilities

One-way street eastbound for vehicles between Burrard and Hornby
• To provide space for the proposed separated bike lane
• To maintain tour bus and taxi service at the hotels

Two-way bike lane on the south side of Helmcken between Burrard and Hornby
• To provide a comfortable cycling experience for people of all ages and abilities
• To maintain emergency vehicle access
