## CITY OF VANCOUVER STATEMENT OF FINANCIAL INFORMATION APPROVAL

The undersigned, as authorized by the Financial Information Regulation, Schedule 1, subsection 9(2), approves all the statements and schedules included in this Statement of Financial Information, produced under the *Financial Information* Act.

m

Esther Lee Director of Financial Services Deputy Director of Finance April 20, 2010

#### CITY OF VANCOUVER

#### DIRECTOR OF FINANCE REPORT

The Financial Statements contained in this Statement of Financial Information under the Financial Information Act have been prepared by management in accordance with generally accepted accounting principles, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The City's Internal Audit Division has the responsibility for assessing the internal control environment of the City and making observations and recommendations on the effectiveness of management systems and processes. The Internal Audit Division reports to the Internal Audit Management Committee.

The External Auditors, KPMG LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the City's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The External Auditors present their audit findings to the City's City Services & Budget Standing Committee.

On behalf of the City of Vancouver,

Esther Lee

**Director of Financial Services**

#### Mayor G. Robertson and Members of Council

It is my pleasure to submit the Consolidated Financial Statements for the City of Vancouver for the year ended December 31, 2009. These financial statements include the financial position and results of operations of the City including its boards and City controlled corporations.

#### New Financial Reporting and Prior Period Adjustments

In 2009 the City has adopted Public Sector Accounting Board (PSAB) sections 1200 Financial Statement Presentation and 3150 Tangible Capital Assets. Section 1200 establishes general reporting principles and standards for the disclosure of information in government financial statements and section 3150 requires governments to record and amortize their tangible capital assets in their financial statements.

The major impact to the City's financial statements has been a restatement of tangible capital assets values, in particular with respect to land. The City's policy has been to record land at fair value based on annual assessed values determined by the BC Assessment Authority. To comply with PS 3150, land values have been restated to historical (acquisition) costs resulting in a decrease of approximately \$8.5 billion. This decrease was partially offset by increased asset values for infrastructure assets which were previously expensed or valued on a different basis. Accumulated amortization on assets was also calculated with a resulting net decrease to Tangible capital assets balance of \$7.2 billion.

In addition, the City recorded a prior period adjustment of \$9.7 million related to building permit liabilities. The net impact of these changes is as follows:

	Previous	Restated	Change
Opening Accumulated Surplus, January 1, 2008	\$11.0 billion	\$5.6 billion	(\$5.4 billion)
Tangible Capital Assets, December 31, 2008	\$13.1 billion	\$5.8 billion	(\$7.2 billion)
2008 Annual (Deficit) Surplus	(\$157.0 million)	\$94.9 million	\$252.9 million

#### 2009 Consolidated Financial Results

The City's financial statements consist of:

- Consolidated Statement of Financial Position summary of financial and non-financial assets, liabilities and accumulated surplus at yearend.
- Consolidated Statement of Operations summary of revenues, expenses and annual surplus for the year.
- Consolidated Statement of Change in Net Debt summary of changes in financial assets and liabilities.
- Consolidated Statement of Cash Flow summary of the sources and uses of cash in the year.

#### Consolidated Financial Position

(\$000s)	2009		2008	Change	
Financial assets	\$	1,394.7	\$ 890.1	\$	504.6
Liabilities		1,716.9	1,056.8		660.1
Net debt		(322.2)	(166.7)		(155.5)
Non-financial assets		6,213.9	5,895.9		318.0
Accumulated Surplus	\$	5,891.7	\$ 5,729.2	\$	162.5

The City's financial position improved by \$162.5 million in 2009 with accumulated surplus totaling \$5.89 billion (2008 - \$5.72 billion).

Financial Assets increased by \$504.6 million while Liabilities increased by \$660.1 million. The increase to both Financial Assets and Liabilities was mainly due to the City's financing of the Millennium Olympic Village development; at year end the City had advanced \$694.5 million as a loan receivable and financed the advances with borrowings of \$630.0 million.

Net Debt, calculated as Financial Assets less Liabilities is an indicator of the amount of future revenues required to pay for past transactions and events. The City's Net Debt increased by \$155.5 million to a total of \$322.2 million and reflects investment in non-financial assets and the amount expended on the South East False Creek development pending receipt of proceeds from the sale of the land of approximately \$200.0 million.

#### Consolidated Results of Operations

The City's consolidated revenues were \$1.29 billion (2008 - \$1.17 billion) and include property taxes, utilities and user charges, government transfers and capital contributions. Consolidated expenses totaled \$1.13 billion (2008 - \$1.08 billion) resulting in an annual surplus of \$162.5 million.

#### Revenue Fund

The Revenue Fund accounts for the general operations for the City. Spending authority and control for the fund are provided by Council through the annual Operating Budget.

Revenues for the year totaled \$1.035 billion and expenditures totaled \$873.7 million resulting in a Net revenue amount of \$161.1 million. After debt charges and transfers to reserves and other funds, the net change in the Revenue fund balance was \$1.2 million. The total fund balance of the Revenue Fund currently stands at \$13.1 million, compared to \$11.9 million in 2008. The following highlights the major changes in revenues and expenditures.

Total operating revenues increased by \$63.3 million from 2008 mainly due to:

- An increase in net taxation revenue of \$38.1 million or 6.9% from \$551.1 million to \$589.2 million. City Council approved a 5.85% increase in the property tax levy in 2009 that generated \$35.5 million in tax revenues (including \$6.0 million from new construction).
- An increase in water utility user fees of \$1.5 million (2.0%) was due to a Council approved rate increase of 4.9% to reflect rising regional water costs, offset by reduced consumption by commercial and mutli-family users.
- An increase in solid waste utility user fees of \$1.6 million (3.8%) mainly due to higher collection fees for garbage, recycling and yard waste.
- An increase in sewer utility user fees of \$3.0 million (8.0%) was due to a Council approved rate increase of 11% which includes a \$2.0 million shift in sanitary sewer infrastructure costs from the general purpose tax levy to sanitary sewer user rates, offset by lower consumption by commercial and multifamily users.
- An increase in other fees, rates and cost recoveries of \$17.8 million due to a combination of the following:
  - Revenues and recoveries associated with Olympic related Host City programs (\$9.9 million)
  - \$2.0 million increase in on-street parking revenues due to Council approved increases in rates and expansion of meter zones.
  - \$2.5 million increase in parking by-law enforcement revenue due to extended late night enforcement hours
  - Increase in secondment recoveries of \$1.5 million due to a higher number of police officers being assigned to other agencies.
  - Increased Park Board recreational revenues, including golf revenues, mainly attributable to increased patronage due to favorable weather conditions (\$2.7 million)
- An increase in provincial revenue sharing grants and contributions of \$9.7 million (44.4%) due to a change in the allocation of the provincial traffic fine revenue and increased gaming revenue.
- A decrease in investment income of \$9.5 million (38.0%) due to lower interest rates compared with 2008.

Total operating expenditures amounted to \$873.7 million, an increase of \$13.9 million mainly due to:

- Expenditures in advance of the 2010 Olympic and Paralympic Games (\$11.7 million) included in General Government, offset by revenues and recoveries of \$9.9 million
- Contractual wage and fringe benefit adjustments for employees, which added approximately \$20.9 million to the 2009 expenditures
- An increase of \$8.4 million in the cost of water charged by the Greater Vancouver Water District
- A \$1.6 million increase in the Greater Vancouver Sewerage & Drainage District levy charged to the Sewer Utility due to an increased amount of capital work being carried out by Metro Vancouver.
- Civic election costs of \$1.8 million incurred in November 2008 were not incurred in 2009
- A decrease of \$14.9 million in solid waste landfill costs reflecting an adjustment to the post-closure liability
- A decrease in the costs for snow removal in 2009 compared with 2008 due to a reduced snow and ice volume in December 2009.

#### **Tangible Capital Assets**

The City's tangible capital assets are held in two funds.

Capital Fund accounts for tangible capital assets required for civic use and the related long term debt.

Property Endowment Fund (PEF) accounts for real estate properties including non-market housing sites, other residential and commercial properties and parking garages. A number of these properties are managed on a commercial basis generating income to benefit current and future citizens.

The Capital Fund holds \$4.80 billion of assets at the end of 2009. Capital additions totalled \$324.5 million with the following major projects:

		\$ Million
•	Streets, traffic and safety	95.3
	Traffic calming plans, streetlights, signals, sidewalks,	
	Cambie Street, Granville Mall, Convention centre viaduct	
•	Sewer main construction and sewer abatement projects	33.6
•	Water works distribution system	21.3
•	Solid Waste utility	10.4
•	Vehicle and equipment purchases	22.9
•	Parks, community centres, playing fields, ice rinks	22.7
	Emery Barnes Park, Percy Norman Aquatic Centre, Hillcrest Curling Centre	
	Killarney and Trout Lake skating rinks, Renfrew Community Centre	
•	Construction and capital maintenance of City buildings and systems	66.1
	Civic Theatres upgrades, #1 Kingsway, Mountain View Cemetery,	
	Crossholds leasehold, libraries, Tactical Training Centre and Dog Squad facilities	3
•	Technology infrastructure	15.6
	Hardware upgrades, Infrastructure Management, Access Vancouver program	
•	Neighbourhood Energy Utility infrastructure	28.4
•	Books, equipment and furniture	8.2

The Property Endowment Fund holds \$1.38 billion of assets at the end of 2009. Capital additions totalled \$131.85 million with expenditures for SEFC affordable housing, community centre and the Salt Building as well as parking structures improvements.

#### Long Term Debt

In addition to the borrowing for the Millennium advance, debt outstanding at year end was \$497.8 million (2008 - \$484.4 million). During the year, \$140.0 million sinking fund debentures and \$33.5 million serial debentures matured. In June 2009, the City issued a 10 year \$125.0 million sinking fund debenture at rate of 4.90%. The City has sinking fund debt reserves of \$87.2 million for the future repayments.

(000s)	2009	2008	(	Change
Debenture debt outstanding	\$ 510,628	\$ 	\$	(47,910)
Less: Internally held debt  Externally held debt	\$ (12,800) 497,828	\$ (74,172) 484,366	\$	61,372 13,462
Sinking Fund reserves	\$ 87,198	\$ 138,415	\$	(51,217)

In November 2008, the electorate approved borrowing authority of \$222.0 million to finance the maintenance and replacement of existing and construction of new streets, parks and facilities infrastructure as part of the 2009-2011 Capital Plan. Council approved an additional \$159.2 million in borrowing authority for sewer and water capital expenditures to bring total borrowing authority to \$381.2 million. In addition, there is \$69.1 million remaining authority from the 2006-2008 Capital Plan for an overall outstanding borrowing authority of \$450.3 million.

#### Reserves

Under legislative or Council authority, the City has established a number of specific purpose reserves in addition to the sinking fund debt repayment reserve. At the end of 2009, these reserves totalled \$436.7 million, up \$12.3 million over 2008. The most significant reserve balances and changes were:

- Community Amenity contributions from developers amounted to \$3.6 million and were offset by expenditures of \$5.0 million bringing the total reserve balance to \$49.2 million.
- Future Revenue Fund Budgets Reserve increased by \$15.5 million to a balance of \$51.5 million. This was mainly the result of the transfer of \$7.0 million to fund future payroll obligations and \$7.9 million of traffic fine revenue sharing to fund 2010 expenditures.
- Funding for future debt charges of \$6.8 million was transferred into the Future Debt Repayment Reserve bringing the balance to \$29.0 million.
- The Olympic Legacy Facilities Reserve has a balance of \$6.5 million to fund the conversion of the Hillcrest Complex after the Olympic and Paralympic Games.

- The Olympic Legacy Reserve decreased by \$1.3 million resulting in a balance of \$10.2 million. Expenditures of \$7.0 million for Host City events and programs were netted against the contributions of \$6.7 million. Contributions included the annual \$3.6 million transfer from the extension of a lease of a City property and \$5.1 million from the Federal government and sponsorships.
- The South East False Creek Construction Reserve of \$25.0 million is unchanged and is to provide for contingent costs for the completion of the Olympic Village.
- The Parking Sites Reserve holds the net parking revenues from the City's parkades and parking lots, managed and operated by Vancouver Parking Corporation (EasyPark). The balance of the reserve at year end was \$18.2 million, an increase of \$6.0 million.
- The Plant and Equipment Reserve which funds the long term equipment replacement plan decreased by \$1.1 million to \$43.2 million. The reserve is funded by internal equipment charges provided in the Operating and Capital Budgets and in 2009 this amounted to \$22.7 million. Actual expenditures drawn on the reserve were \$23.8 million.
- The Solid Waste Capital Reserve is being accumulated to fund closure and post-closure costs at the City's landfill. The present liability is calculated based on the ratio of utilization to the total capacity of the landfill site and the discounted value of future estimated cash flows associated with closure and post-closure activities. At year end, the liability amounted to \$40.7 million, with the remaining capacity of 16.9 million tonnes (51.1% of total capacity) to be utilized by 2056. During the year the reserve decreased by \$6.5 million to \$67.7 million as a result of landfill capital and other expenditures of \$10.1 million offset by surplus and interest of \$3.6 million.
- Water and Sewer Utility Rate Stabilization Reserves decreased by \$8.6 million to a total of \$23.2 million as a result of lower user consumption revenues and higher debt charges than anticipated.

#### Summary

(\$000s)	2009	2008	 hange
Investment in tangible capital assets	\$ 5,682.6	\$ 5,379.8	\$ 302.8
Reserve for debt retirement	87.2	138.4	(51.2)
Reserves	436.7	424.4	12.3
Fund balances	(185.7)	(68.0)	(117.7)
Obligations to be funded from future revenues	(129.1)	(145.4)	16.3
Accumulated Surplus	\$ 5,891.7	\$ 5,729.2	\$ 162.5

The City's consolidated operations for the year 2009 resulted in a surplus of \$162.5 million. Net investment in tangible capital assets was \$302.8 million as engineering infrastructure, parks and recreation facilities, libraries and cultural facilities were improved and expanded to provide better services to a growing population. This has however, resulted in a negative fund balance due to the delayed timing of revenues and debt related to these expenditures.

During 2010, the City will be implementing several projects that will facilitate the continuous improvement of financial management and reporting. With the completion of the major work to inventory, value and restate the City's tangible capital assets for PS3150, staff will incorporate this information into asset management and lifecycle costing. This information will also be a critical component as staff work on a comprehensive long term financial plan to support corporate capital planning and financing strategy.

### AUDITORS' REPORT TO THE MAYOR AND COUNCILLORS OF THE CITY OF VANCOUVER

We have audited the consolidated statement of financial position of the City of Vancouver (the "City") as at December 31, 2009 and the consolidated statements of operations, change in net debt and cash flows for the year then ended. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the City as at December 31, 2009 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles. As required by the Vancouver Charter, we report that, in our opinion, these principles have been applied to the consolidated financial statements on a basis consistent with that of the preceding year after giving effect to the prior year adjustments disclosed in note 2.

See accompanying Notes to Consolidated Financial Statements.

The City of Vancouver was incorporated in 1886 and is governed by the Vancouver Charter, a private bill consented to by the Legislative Assembly of the Province of British Columbia.

#### 1. SIGNIFICANT ACCOUNTING POLICIES

#### (a) Basis of Presentation

The consolidated financial statements of the City have been prepared, in all material respects, in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants (CICA).

#### (b) Reporting Entity

The consolidated financial statements reflect the assets, liabilities, revenue and expenses of the reporting entity. The reporting entity is comprised of all the organizations controlled by the City. Interfund and inter-corporate balances and transactions have been eliminated. The entities included are as follows:

Vancouver Board of Parks & Recreation Vancouver Police Board Vancouver Public Library Board Vancouver Civic Theatres Board

Hastings Institute Inc.

Vancouver Civic Development Corporation

Harbour Park Development Ltd.

City of Vancouver Public Housing Corporation

Particle Of Participal Fig. 18 in the Participal Fig. 18

Parking Corporation of Vancouver Pacific National Exhibition

The resources and operations of the City are accounted for in the following funds:

Capital - Accounts for capital expenditures supporting civic infrastructure and holds all properties required for civic use and the related long term debt.

Revenue - Accounts for revenue and expenditures for the general operations of the City including sewer, solid waste and water utilities.

Property Endowment – Accounts for properties which are leased to third parties, being developed or held resale or lease.

Sinking - Accounts for the accumulation of instalments generated from tax levies in accordance with the actuarial requirements for the retirement of sinking fund debt at maturity.

Capital Financing - Accounts for funds designated for the financing of capital works, for the acquisition of the City's debentures and for funds set aside for the City's solid waste disposal program.

Also included in these statements are certain assets owned by the City that are managed by the following organizations:

Vancouver Art Gallery Society

H.R. MacMillan Space Centre
Vancouver Museum

Vancouver Maritime Museum

#### (c) Basis of Accounting

The City follows the accrual method of accounting for revenue and expenses. Revenue is recognized in the year in which it is earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

#### 1. SIGNIFICANT ACCOUNTING POLICIES - continued

#### (d) Non-financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

#### (i) Tangible capital assets

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value of the capital asset is amortized on a straight-line basis over their estimated useful lives as follows:

	Years
Landfill and land improvements	15 to 60
Buildings and building improvements	15 to 50
Leasehold improvements	5 to 20
Vehicles, equipment and furniture	5 to 20
Computer systems	5 to 20
Library Collection	10
Infrastructure	
Streets and structures	25 to 85
Water system	75 to 105
Sewer system	75 to 100

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use. The City does not capitalize interest associated with the acquisition or construction of a capital asset.

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also recorded as revenue.

Works of art, artifacts, cultural and historic assets are not recorded as assets in the financial statements.

#### (ii) Inventories and prepaid expenses

Inventories and prepaid expenses held for consumption are recorded at the lower of cost and replacement cost.

#### (e) Deferred income

Deferred income represents development cost levies which have been collected in accordance to Council approved by-laws to finance growth-related projects. These amounts will be recognized as revenues in the year in which the expenditures are incurred.

#### (f) Budget information

The City currently does not prepare annual budgets on a consolidated basis. The unaudited budget for the Revenue Fund is presented in the supplementary information section.

#### (g) Estimates

Preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Significant estimates include assumptions used in estimating provisions for accrued liabilities, landfill liability and in performing actuarial valuations of employee future benefits. In addition, the City's implementation of the PSAB Handbook section PS3150 has requirement management to make estimates of historical costs and useful lives of tangible capital assets.

Actual results could differ from the estimates and adjustments, if any, will be reflected in the period of settlement or upon a change in the estimate.

#### 2. ADOPTION OF ACCOUNTING POLICY AND PRIOR PERIOD ADJUSTMENTS

During the year the City has made the following changes in accounting and reporting standards.

- (a) The City has adopted PSAB sections 1200 Financial Statement Presentation and 3150 Tangible Capital Assets. PS1200 establishes general reporting principles and standards for the disclosure of information in government financial statements and PS 3150 requires governments to record and amortize their tangible capital assets in their financial statements. The costs of tangible capital assets were based on historical cost records or, when historical costs records were not available, other methods determined to provide a best estimate of historical costs and accumulated amortization of the assets. In certain cases, the City used replacement costs and appropriate indices to deflate the replacement cost to an estimated historical cost at the year of acquisition.
- (b) The City has also corrected the prior year figures to recognize the liability for building inspections payments related to certain major development projects. The liability was based on a percentage of outstanding building permits.
- (c) Other adjustments related to corrections of prepaids and investment in tangible capital assets reported by PNE and City of Vancouver Public Housing Corporation to be consistent with PSAB standards.

The adoption of these accounting and reporting standards has been applied retroactively and prior periods have been restated as follows:

	2009		2008	
Accumulated surplus, January 1				
As previously reported	\$	12,994,662	\$ 10,966,148	
Adjustment for net book value of tangible capital assets		(7,257,871)	(5,323,985)	
Adjustment for building permit liability		(9,214)	(9,472)	
Other		1,638	1,599	
Restated	\$	5,729,215	\$ 5,634,290	
Annual Surplus for 2008				
Net revenues, as previously reported			\$ (157,012)	
Tangible capital assets capitalized but previously expensed			375,892	
Amortization expense not previously recorded			(123,929)	
Gain on sale of assets			(1,911)	
Proceeds on disposal reported as revenue			5,282	
Other			(3,397)	
Restated			\$ 94,925	
Tangible Capital Assets, December 31, 2008				
As previously reported			\$ 13,136,371	
Adjustment for net book value			(7,257,871)	
Restated			\$ 5,878,500	

#### 3. CASH AND TEMPORARY INVESTMENTS

Cash includes short-term investments with maturity dates within 90 days of acquisition. Temporary investments are comprised of money market instruments, term deposits, bankers acceptances and federal and provincial bonds with maturity dates greater than 90 days after acquisition. Investments are recorded at cost, adjusted for amortization of premiums or discounts.

	 2009	2008		
Cash Temporary investments	\$ 87,170 414,216	\$	35,581 609,676	
Total cash and investments	\$ 501,386	\$	645,257	
Market Value of total cash and investments	\$ 522,766	\$	668,156	

#### 4. ACCOUNTS RECEIVABLE AND ACCOUNTS PAYABLE

	_	2009	2008
Accounts receivable and accrued interest			
Accrued interest	\$	9,546	\$ 9,399
Utility receivables		22,767	18,318
Employee advances		2,408	2,424
Rental and lease receivables		1,073	1,545
Trade and other receivables		77,718	46,891
		113,512	78,577
Allowance for doubtful accounts		(1,542)	(1,570)
	\$	111,970	\$ 77,007
Accounts payable and accrued liabilities			
Payroll liabilities	\$	46,684	\$ 47,219
Advance deposits and receipts		119,284	105,139
Trade and other liabilities		130,013	111,278
	\$	295,981	\$ 263,636

#### 5. LONG TERM DEBT

Debenture debt is shown at its face amount. The City does not carry debt issued by other organizations.

Maturing In		Total Internally Held		Total		Internally Held			External
2010	\$	35,777		\$	2,811	\$	32,966		
2011		116,119			1,615		114,504		
2012		37,631			1,471		36,160		
2013		25,756			1,289		24,467		
2014		26,603			1,098		25,505		
Thereafter		268,742			4,516		264,226		
Total	\$	510,628		\$	12,800	\$	497,828		

The rates of interest payable on the principal amount of the debentures range from 3.60% to 9.50% per annum. The weighted average interest rate on total debt to maturity is 4.68%. Total interest paid in 2009 on externally held debt amounted to \$26.3 million (2008 - \$25.1 million). All debentures are payable in Canadian funds.

Reserve for debt retirement at December 31, 2009 amounted to \$87.2 million (2008 - \$138.4 million).

#### 8. Deferred payroll, landfill and interest liabilities

The following amounts are included in Accounts payable and accrued liabilities:

	_	2009		2008	
Deferred payroll costs	\$	83,901	\$	83,868	
Accrued interest on long term debt		4,505		5,444	
Landfill closure and post-closure		40,731		56,050	
	\$	129,137	\$	145,362	

#### (a) Deferred Payroll Costs

Employees are entitled to earned benefits related to non-vested accumulating sick leave, sick leave gratuity and full vacation entitlement at retirement. Employees may also defer current vacation entitlements. The cost of post-employment benefits is actuarially determined based on service provided, a best estimate of retirement ages and expected future salary and wage increases. The liability under these benefit plans is accrued based on projected benefits as the employees render service necessary to earn the future benefits.

As well, certain employees are entitled to income continuation benefits under long term disability plans. The City recognizes a liability and expense for these post-employment benefits in the period when the event occurs that obligates the City to provide the benefit.

The liabilities reported in 2009 are based on an actuarial valuation as at December 31, 2009 using the following valuation assumptions:

	2009	2008
Discount rate	5.00%	5.00%
Inflation rate	3.00%	2.00%
Rate of compensation increase	2.58% to 4.50%	3.08% to 5.00%

#### 8. OBLIGATIONS TO BE FUNDED FROM FUTURE REVENUE - continued

#### (a) Deferred Payroll Costs - continued

Employee benefit liabilities are as follows:

	 2009		2008	
Sick leave gratuity	\$ 22,028	\$	21,748	
Deferred vacation	10,304		10,817	
Non-vested accumulating sick leave	14,611		14,425	
Long term disability	13,547		12,729	
Other post-employment benefits	 14,933		16,085	
	 75,423		75,804	
Unamortized actuarial gain	 8,478		8,064	
	\$ 83,901	\$	83,868	

The continuity of the City's employee benefit liabilities are as follows:

	2009		2008	
Beginning of year	\$	83.868	\$	80,267
Current service cost	Ψ	5,807	Ψ	7,813
Interest cost		3,821		4,095
Amortization of actuarial (gain) loss		(681)		366
Actual benefits paid		(8,914)		(8,673)
End of year	\$	83,901	\$	83,868

The City has provided \$31.0 million in a reserve for the funding for these liabilities.

#### (b) Landfill Closure and Post-Closure Costs

The City has agreed with the Ministry of Environment Lands and Parks to assume certain obligations in order to obtain the Operating Certificate for its landfill site. Those obligations include closure and post-closure liability. The present value of the City's estimated future liability for these expenditures is recognized as the landfill site's capacity is used and the reported liability of \$40.7 million (2008 - \$56.1 million) represents the portion of the estimated total expenditure recognized as at December 31, 2009. This liability and annual expenditure is calculated based on the ratio of utilization to total capacity of the site and the discounted estimated future cash flows associated with closure and post-closure activities. A discount rate of 5.00% (2008 – 5.00%) was used.

The reported liability is based on estimates and assumptions with respect to events extending over the remaining life of the landfill. The landfill site is expected to reach its capacity in 2056 with phased closures starting in 2009. At year end the estimate of the remaining capacity is 16.9 million tonnes, which is 51.1% of the site's total capacity and the discounted future cash flows for closure and post-closure cost is estimated at \$133.1 million (2008 - \$151.0 million).

In accordance with an agreement between the City and the Greater Vancouver Sewerage and Drainage District, the City is responsible for 77% of the overall liability for closure and post-closure costs. The City has provided a reserve to fund future landfill capital expenditure and waste diversion programs with a balance as at December 31, 2009 of \$67.7 million (2008 - \$74.2 million).

#### 9. CONTINGENCIES AND COMMITMENTS

#### (a) Contingent Liability and Commitment

The City is contingently liable in respect of debentures of the Greater Vancouver Water District, the Greater Vancouver Sewerage and Drainage District and the Greater Vancouver Regional District.

The City is a shareholder and member of Emergency Communications for Southwest British Columbia Incorporated (E-Comm), whose services include: regional 911 call centre for the Greater Vancouver Regional District, Wide Area Radio emergency communications network, dispatch operations and records management. The City holds 2 Class A shares (of a total 23 Class A and 25 Class B shared issued and outstanding at December 31, 2009). As a Class A shareholder, the City is committed to paying levies for services received under a cost-sharing formula to fund operating and capital costs of the E-Comm operations. In addition, the City is contingently liable to cover its proportionate share of such costs should any member be unable to fulfill its funding obligations. Annual levy amounts fluctuate based on various factors under the cost-sharing formula, and amounted to \$17.8 million during the year (2008 - \$17.3 million).

#### (b) Collection of Taxes on Behalf of Other Taxing Authorities

The City is obligated to collect and transmit the tax levies of the following bodies. Such levies are not included in the revenue of the City.

Provincial Government – Schools Greater Vancouver Regional District South Coast BC Transportation Authority British Columbia Assessment Authority Municipal Finance Authority

#### (c) Municipal Pension Plan

The City and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trusted pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory defined benefit pension plan with about 158,000 active members and approximately 57,000 retired members. Active members include approximately 33,000 contributors from local governments.

Every three years an actuarial valuation is performed to assess the financial position of the Plan and the adequacy of plan funding. The most recent valuation as at December 31, 2006 indicated a surplus of \$438.0 million for basic pension benefits. The next valuation will be as at December 31, 2009 with results available in 2010. The actuary does not attribute portions of the surplus to individual employers. The City paid \$49.1 million during 2009 (2008 - \$46.8 million) for employer contributions to the Plan. Employee contributions during 2009 amounted to \$37.3 million (2008 - \$34.5 million).

#### (d) Contingent Legal Liabilities

As at December 31, 2009, there were various legal claims pending against the City arising in the ordinary course of its operations. The City has made provision for certain uninsured claims, but has made no specific provision for those where the outcome is presently indeterminable. The City has a reserve of \$21.5 million (2008 - \$19.2 million) for potential claims.

#### (e) Property Assessment Appeals

As at December 31, 2009, there were various assessment appeals pending with respect to properties. The outcome of those appeals may result in adjustments to property taxes receivable for the current and prior years. The City makes an annual provision against property taxes receivable for the impact of appeals.

#### 9. CONTINGENCIES AND COMMITMENTS - Continued

#### (f) Long Term Lease, Mortgage and Loan Agreements

- (i) The City has executed a 25-year lease of the Library Square office building to the Federal Government which commenced April 30, 1995. Annual lease payments of \$6.7 million will fully offset mortgage principal and interest payments. The lease provides options for the Federal Government to purchase the office building at the end of the 10th and 20th years and at the end of the lease term. The balance of the lease receivable is \$43.4 million (2008 \$45.8 million).
- (ii) The City has executed a \$5.6 million no-interest take-back mortgage on the sale of the former Woodward's site to a developer. The terms provide for discharge and forgiveness of the mortgage upon the developer's conveyance to the City of an air space parcel by April 30, 2010.

Principal payments on mortgages over the next 5 years and thereafter are as follows:

2010	\$ 8,709
2011	4,310
2012	3,842
2013	8,753
2014	3,872
Thereafter	32,440
	\$ 61,926

Outstanding mortgages include:

- \$8.8 million (2008 \$9.3 million) in mortgages payable to Canada Mortgage and Housing Corporation for 5 non-market housing projects. Interest rates range from 3.16 % to 8.0% with maturity dates from April 12, 2010 to December 1, 2027.
- \$45.1 million (2008 \$47.3 million) on the Library Square Project due on January 14, 2021. Interest at 9.875% per annum is compounded semi-annually with monthly repayments of principal and interest. The mortgage is secured by a first charge on the land and any proceeds from the sale of the land on which the office building is situated, the office building and any improvements to it including machinery, plant and equipment, and any proceeds on the lease of the office building.

#### (g) Loan Guarantee

The City has guaranteed a \$12.0 million line of credit for the Pacific National Exhibition to December 31, 2010.

#### (h) Property Acquisition

The City has entered into an agreement to purchase a property for \$38.0 million should the owner not be able to proceed with their intended development of the property. The agreement expires May 9, 2011.

#### (i) Southeast False Creek and Olympic Village Development

In 2006, the City entered into a lease, development and sale agreement (the "Agreement") with Millennium Southeast False Creek Properties Ltd. ("Millennium") to develop some of the City's properties in Southeast False Creek Area 2A. This development was, in part, used by the City and the Vancouver Organizing Committee for the 2010 Olympic and Paralympic Winter Games (VANOC) as the Vancouver Athletes' Village. Under the Agreement, Millennium is required to construct market housing and commercial spaces (the "Market Project") on several parcels (the "Development Parcels"). In addition, Millennium is required to design and construct at the City's cost, non-market housing buildings and a civic centre on additional parcels to be retained by the City. Millennium has provided the City with a deposit of approximately \$29.0 million as security for its obligations to the City under the Agreement. This deposit is to be credited against the purchase price (the "Purchase Price") of approximately \$200.0 million to be paid by Millennium in September 2010 for the Development Parcels. The City retains ownership of the Development Parcels until the purchase price is paid and, therefore, this amount has not been reflected in the City's accounts.

#### 9. CONTINGENCIES AND COMMITMENTS - Continued

#### (i) Southeast False Creek and Olympic Village Development - continued

Millennium arranged construction financing (the "Loan") of approximately \$750.0 million for the Market Project from Fortress Credit Corp. ("Fortress") in 2007. In addition to the security provided by Millennium to Fortress, the City (as landlord under the ground lease portion of the Agreement) provided additional security to Fortress including: (i) a Completion Guarantee which obligated the City to complete the Market Project to market-ready status; (ii) subordination of the balance of the Purchase Price (then approximately \$170.0 million) to repayment of the Loan; and (iii) a Payment Guarantee of approximately \$190.0 million should Millennium be unable to repay the Loan. In return, Millennium and its principals provided the City with the same guarantees provided to Fortress, albeit in a second position, and Fortress granted the City a right to purchase or assume the Loan.

In February, 2009, the City purchased and took assignment of the Loan in the amount of \$319.0 million extinguishing the City's obligations to Fortress and making the City the lender for the Market Project. In September 2009, the City and Millennium entered into the Amended and Restated Credit Agreement ("Amended Loan Agreement") which specifies the terms under which the City will continue to provide financing to the Market Project. These terms include:

- an extension of the term of the financing until December 31, 2012, with the possibility of a further six month extension
- a maximum loan amount of \$968.8 million before consideration of revenues from the sale of market units
- restated financing costs based on a spread of 4.00% to 5.00% over the higher of the prime interest
  rate offered by the City's primary financial institution or the City's cost of funds to fund the loan
  with a minimum of 7.00% to 8.00% (the rates are dependent upon Millennium meeting specific
  milestones and timelines
- reduced interest rate during the period the Development Parcels are used as the Olympic and Paralympic Village
- retroactive interest rate reductions ranging from 0.25% to 3.00% should Millennium repay the financing under the Amended Loan Agreement and the balance of the Purchase Price at specified dates in advance of the maturity date.

The Agreement was also amended in September 2009 to include:

- bonus payments for on time delivery of the Market Project for the 2010 Olympic Games, resulting in payments to Millennium of \$1.5 million
- extension of the due date for payment of the Purchase Price to match the maturity of the Amended Loan Agreement with interest accruing from September 30, 2010 at bank prime plus 6.00%.

At December 31, 2009 Millennium owes the City \$695.0 million (including interest) plus the balance of the Purchase Price. This amount increased to \$710.0 million as of March 26, 2010.

In June 2009, the City issued a \$150.0 million, five year term debenture at 3.40% and raised the balance of the necessary funds to finance the Market Project through a commercial paper program backed by a Credit Facility arranged through a consortium of Canadian financial institutions. The total financing raised through the Credit Facility at December 31, 2009 is \$480.0 million at a current cost of approximately 0.80% per annum. These rates will vary in the future based on changes in Canadian interest rates. The term of the Credit Facility is matched to the term of the Amended Loan Agreement.

The City's purchase of the Loan from Fortress, the Amended Loan Agreement and substantial completion of the Market Project have mitigated the City's risks in the following ways:

- commitments made to Fortress have been extinguished and the City's interests are secured in first position as lender to the Market Project
- construction costs have been determined
- approximately \$200 million of unit pre-sales are expected to be realized during 2010
- the differential in the cost of City funds to finance the loan and the interest being paid to the City by Millennium creates additional security which reduces the City's exposure on a default in repayment of the Loan.

#### 9. CONTINGENCIES AND COMMITMENTS - Continued

#### (i) Southeast False Creek and Olympic Village Development - continued

The City's ongoing risk is primarily dependent on the value and timing of the proceeds from the sale of the balance of the Market Project during the term of the Amended Loan Agreement. The City is satisfied that the value of the completed but unsold residential inventory and of the rental residential and commercial components in the Market Project exceeds the amount of financing advanced to Millennium by the City and that the financing will be fully recovered.

#### 10. TRUST FUNDS

Certain assets have been conveyed or assigned to the City to be administered as directed by agreement or statute. The City holds the assets for the benefit of, and stands in fiduciary relationship to, the beneficiary. The following trust funds and assets are excluded from the City's financial statements:

	 2009		2008	
Vancouver Agreement	\$ 11,567	\$	14,694	
Cemetery Perpetual Care	3,448		3,366	
General	654		677	
	\$ 15,669	\$	18,737	

The Vancouver Agreement is an urban development agreement between the Federal and Provincial Governments and the City to facilitate sustainable economic, social and community development in the City.

#### 11. DEFERRED INCOME

Deferred income is comprised of the following:

	Change During							
		2008 Year		2008 Year 200		Year		2009
Development cost levies								
City-wide	\$	67,019	\$	(3,225)	\$	63,794		
Area-specific		33,605		3,236		36,841		
		100,624		11		100,635		
Capital contributions		1,181		199		1,380		
	\$	101,805	\$	210	\$	102,015		

Development cost levies (DCL) are collected from development to fund growth related capital projects including parks, child care facilities, replacement housing and engineering infrastructure. DCLs must be spent on projects and within defined area boundaries authorized in the Vancouver Charter and in the enabling bylaws. DCLs are recognized as revenue as Council approved expenditures are incurred. During the year, \$18.5 million of DCLs were collected and \$20.8 million was used to fund capital expenditures and the balance accrued interest of \$3.1 million.

#### 12. SEGMENTED INFORMATION

City services are provided by departments and their activities are reported in the City's Funds as described in note 1(b). Segmented financial information for certain departments is provided in Schedule 1. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1. Revenues not directly attributable to a specific segment are shown in General Government. The segments include:

- General Government which provides internal support services to Council and other departments who
  provide direct services to its citizens. These internal departments include the City Managers Office, City
  Clerk's department, Financial Services, Business Planning Services, Legal and Human Resources.
- Police Protection which provides operational and investigation services to maintain public order, uphold the rule of law and prevent crime.
- Fire Protection which provides emergency and prevention services related to firefighting and medical services.
- Engineering which provides planning, design, construction and maintenance of the City's streets, street lighting, traffic control, parking enforcement, transportation planning and utility and communication corridors
- Utilities are managed by the Engineering department which provides planning, design, construction and maintenance related to the water distribution, sewerage collection, drainage and refuse removal services.
- Planning and Development creates plans, programs and policies required for city-wide and community planning, zoning and subdivision, building by-law administration and inspection, various licensing and animal control services.
- Recreation and Parks provides recreation services through its parks, community centres, swimming pools and ice rinks.
- Community and Cultural Services includes the City's libraries, civic theatres and the Britannia Community
  Centre and other programs to create sustainable, creative and inclusive communities for living and
  working.

The variance between the remuneration schedule and the salaries and benefit expenses reported in the consolidated financial statements of the City are attributable to a number of factors including:

- the remuneration schedules are based on actual payments made in the year (including payouts of vacation, gratuity, overtime banks) whereas the financial statement figure is determined on an accrual basis,
- the remuneration schedules exclude the Vancouver Police department,
- the remuneration includes taxable benefits which are recorded at full cost in the financial statements and includes items such as parking, leased vehicles and medical benefits.

Number of Agreements Equivalent Number of Gross Monthly Salary

7 0.75 - 20

Prepared under Financial Regulation Schedule 1, Section 6 (7)

## SCHEDULE OF PAYMENTS TO SUPPLIERS OF GOODS AND SERVICES

(OVER \$25,000)

- ♦ CITY OF VANCOUVER
- ♦ VANCOUVER BOARD OF PARKS AND RECREATION
- ♦ VANCOUVER POLICE BOARD
- ♦ VANCOUVER PUBLIC LIBRARY BOARD

The City prepares the schedule of payments based on actual disbursements processed through its Accounts Payable system. This provides assurance on completeness as the reported amounts are reconciled to the financial system cheque register and electronic funds transfer records.

The schedule of payments is a "cash basis" listing. This figure therefore will differ significantly from the expenditures in the consolidated financial statements which are reported on an accrual basis resulting in timing differences. Furthermore, there are disbursements which are not considered expenditures including payments made to other taxing authorities, employee payroll deductions, debt principal repayments. Conversely, there are expenditures which do not involve an actual disbursement (in addition to accruals) - grants offset by related revenues (e.g. Theatre operating grants), holdbacks.

This page is intentionally blank.
