Subject: QE Dancing Fountain - QE Plaza - Board Update

Follow Up Flag: Follow up
Flag Status: Completed

Dear Commissioners,

The purpose of this email is to provide an update regarding the Queen Elizabeth Plaza Fountain. The QE Plaza Fountain is experiencing issues in efficiency of its water use. The fountain will be turned off today, August 10, for further assessment. Park Board's Operations team will be draining the water in order to evaluate the issue and will turn the fountain back on as soon as the review is completed. We expect this evaluation to take 24 hours and the fountain should be running again by August 11. If further assessment is required, the fountain will be turned off again during the week of August 15 for another period of 24 hours. This process will continue until we have sourced and mitigated the issues.

Thank you.

Amit Gandha | Director of Parks
