COMMENTS

For the recommended contract, the following requirements have been met:

- a) The solicitation documents were publicly advertised in accordance with the City's Procurement Policy ADMIN-008;
- b) The contract is proposed to be entered into with the vendor offering the best value, which is also the highest-scoring vendor determined in accordance with the criteria, factors or methods previously disclosed in the public solicitation documents;
- c) Financial Planning & Analysis and the applicable business unit have reviewed and concur on the budget and recommendation;
- d) Bid Committee approval authority exists, as outlined in the City's Procurement Policy ADMIN-008 due to the value being in excess of \$750 thousand;
- e) The Director of Legal Services, Chief Procurement Officer and the Engineering Services Department General Manager are recommended to be authorized to execute and deliver all legal documents on behalf of the City; and
- f) The Bid Committee approval is pre contract award, the final contract information may vary subject to final negotiations and award.

DECISION

The Bid Committee approved the entry into a contract in relation to Request for Proposal PS20171423 Design-Build Landfill Gas Flare Replacement at the Vancouver Landfill with Mitchell Installations Ltd., under the authority of the City's Procurement Policy ADMIN-008.
