

5 Consultation to Date

Participants

Input Received General

- Comments of support for Master Plan; small number would like to change it
- Low awareness of current governance structure
- Want greater role clarity and transparency
- Want more opportunity for input at governance level and in programming
- Review timeline – some local residents want more time; others anxious to move forward
- General agreement with guiding principles; some say too business focused

Participants (Feb-Mar 2013)

- 11 Pre-consultation interviews (16 people)
- Stakeholder Advisory Group (12 members)
- Public Engagement Forum (69 attendees)
- Feedback Form (78 respondents)
- 365 visits to the governance review webpage

Feedback on draft options – perceived benefits

- City department: clear accountability of public body, opportunity for input to programming
- Park Board: increased transparency, potential for efficiencies
- HP/PNE Board: all aspects of Hastings Park in one structure

Geographical Distribution of March 11, 2013 feedback forms
