The purpose of this presentation is to seek Board approval for the award of a construction contract to Holland Landscapers Inc. for the playground renewals at Andy Livingstone and Creekside parks.

Guidelines and Strategies

Vancouver
Bird Strategy

- Assessment of Playspaces
- Park Board Strategic Framework
- Biodiversity Strategy
- Bird Strategy
- Greenest City Action Plan
- Urban Forest Strategy
- Healthy City Strategy

- Sites were identified through the city-wide 2015 Assessment of Playspaces
- Project aligns with the Park Board Strategic Framework
- Funding from Local Re-Zonings and current capital budget
- Increasing community need (i.e. International Village Elementary School opening in January 2017 adjacent to Andy Livingstone Park)
- Viaducts Removal, Carrall Street conversion to parkland, and North East False Creek Park pending - Andy Livingstone playground will be integrated in the future works
- Creekside Park playground location is mindful of Science World deck and potential future foreshore changes
- Playground projects were bundled for cost savings

LOCATION B

Note: Features can be implemented in either location.

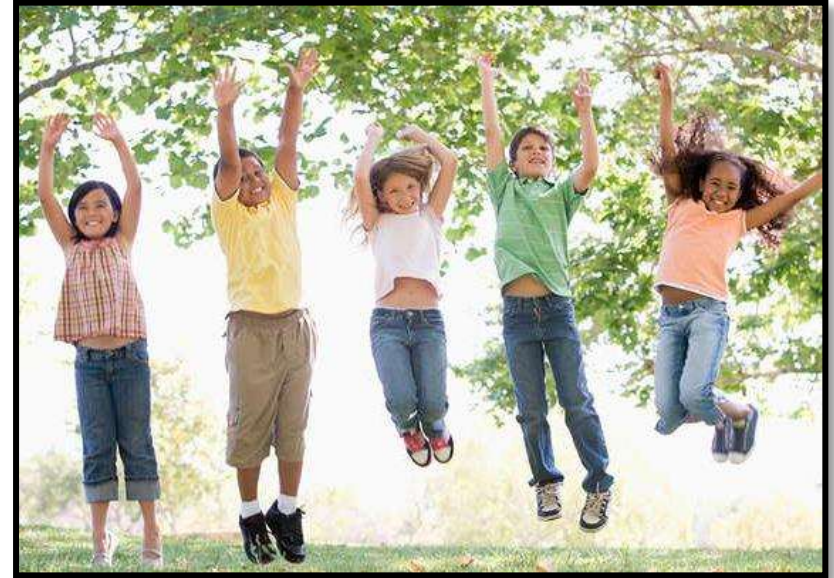

Creekside Park Playground

- Proceeded with Location A and included all preferred play equipment
- Relocated and enlarged playground at Creekside Park will be safer
- Exciting new facility in this destination waterfront park
- Compatible and complimentary to play at Science World

Playground designs focus on a variety of features including:

- Durable materials and surfaces to reduce operating costs
- Safe locations and contextual setting
- Natural and creative play features
- Fully accessible and inclusive
- Resilient rubber safety surfacing
- 28 new shade trees
- Pollinator plantings to attract birds and butterflies

- Park Board Procurement Policy requires that contracts with values over \$500,000 and less than \$2.0 million require approval by the Vancouver Park Board, with Bid Committee and Chief Purchasing Official (CPO) concurrence
- Park Development retained the services of a consultant (Durante Kreuk Ltd.) to prepare the construction package, through a prior competitive open process, and together have evaluated this recommended best approach
- Based on the requirements of the project, the project team identified the best procurement methodology as an Invitation to Tender (ITT)

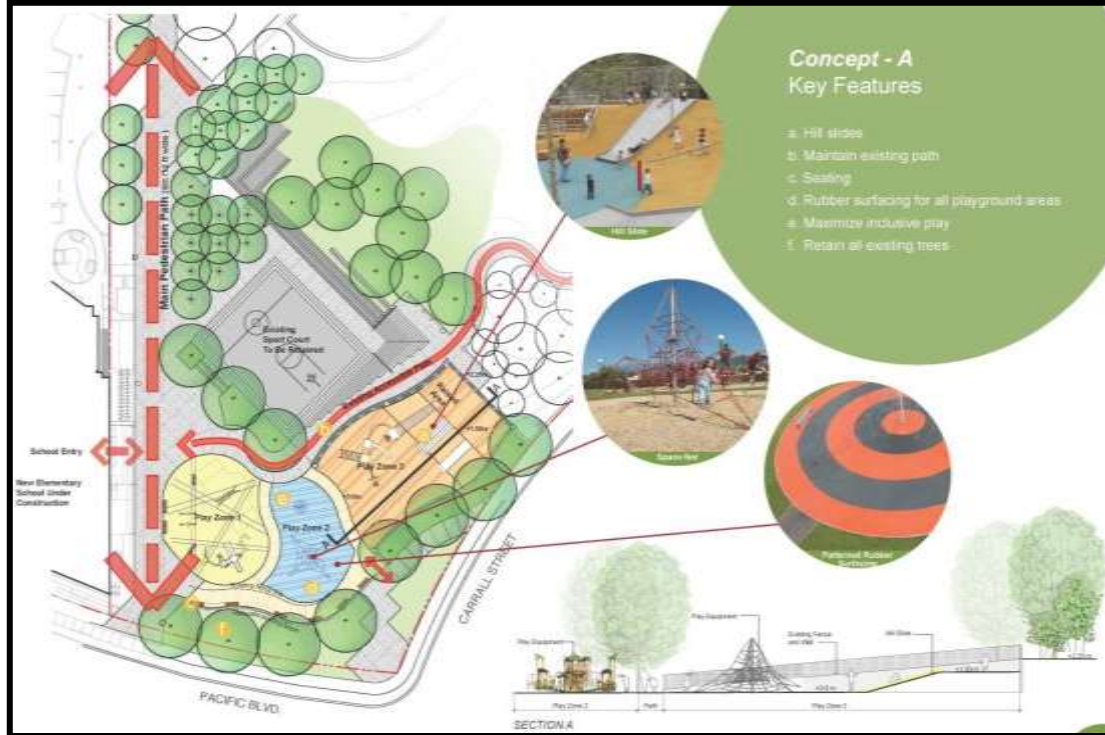

- Invitation to Tender (ITT) PS 20160909 posted June 13, 2016
- BC Bid, City website and invitations to 5 contractors
- Four contractors submitted bids July 11, 2016
- Evaluation: technical, financial and legal compliance reviews
- Bid Committee July 15, 2016

- Expenses will be charged to the 2015-18 Capital Budget
- Funding is available from the Playgrounds, Water and Skateparks account for the Creekside Park playground and from the Neighbourhood Park Renewal account for the Andy Livingstone Park playground
- Funding is contingent on Council approving an additional \$550,000 in the 2016 Q2 Capital Adjustment report of which \$550,000 is for these projects
