

Beaconsfield Park Playground Replacement

What's Happening:

The Vancouver Park Board is replacing the playground in Beaconsfield Park.

The new playground will include: sand play, trampolines, spring toys, a climbing net, swings, a rubber mound & slide, and a shadow spinner.

The project will also include: new pathways with bench seating, picnic tables, a drinking fountain, bike racks, and shade trees.

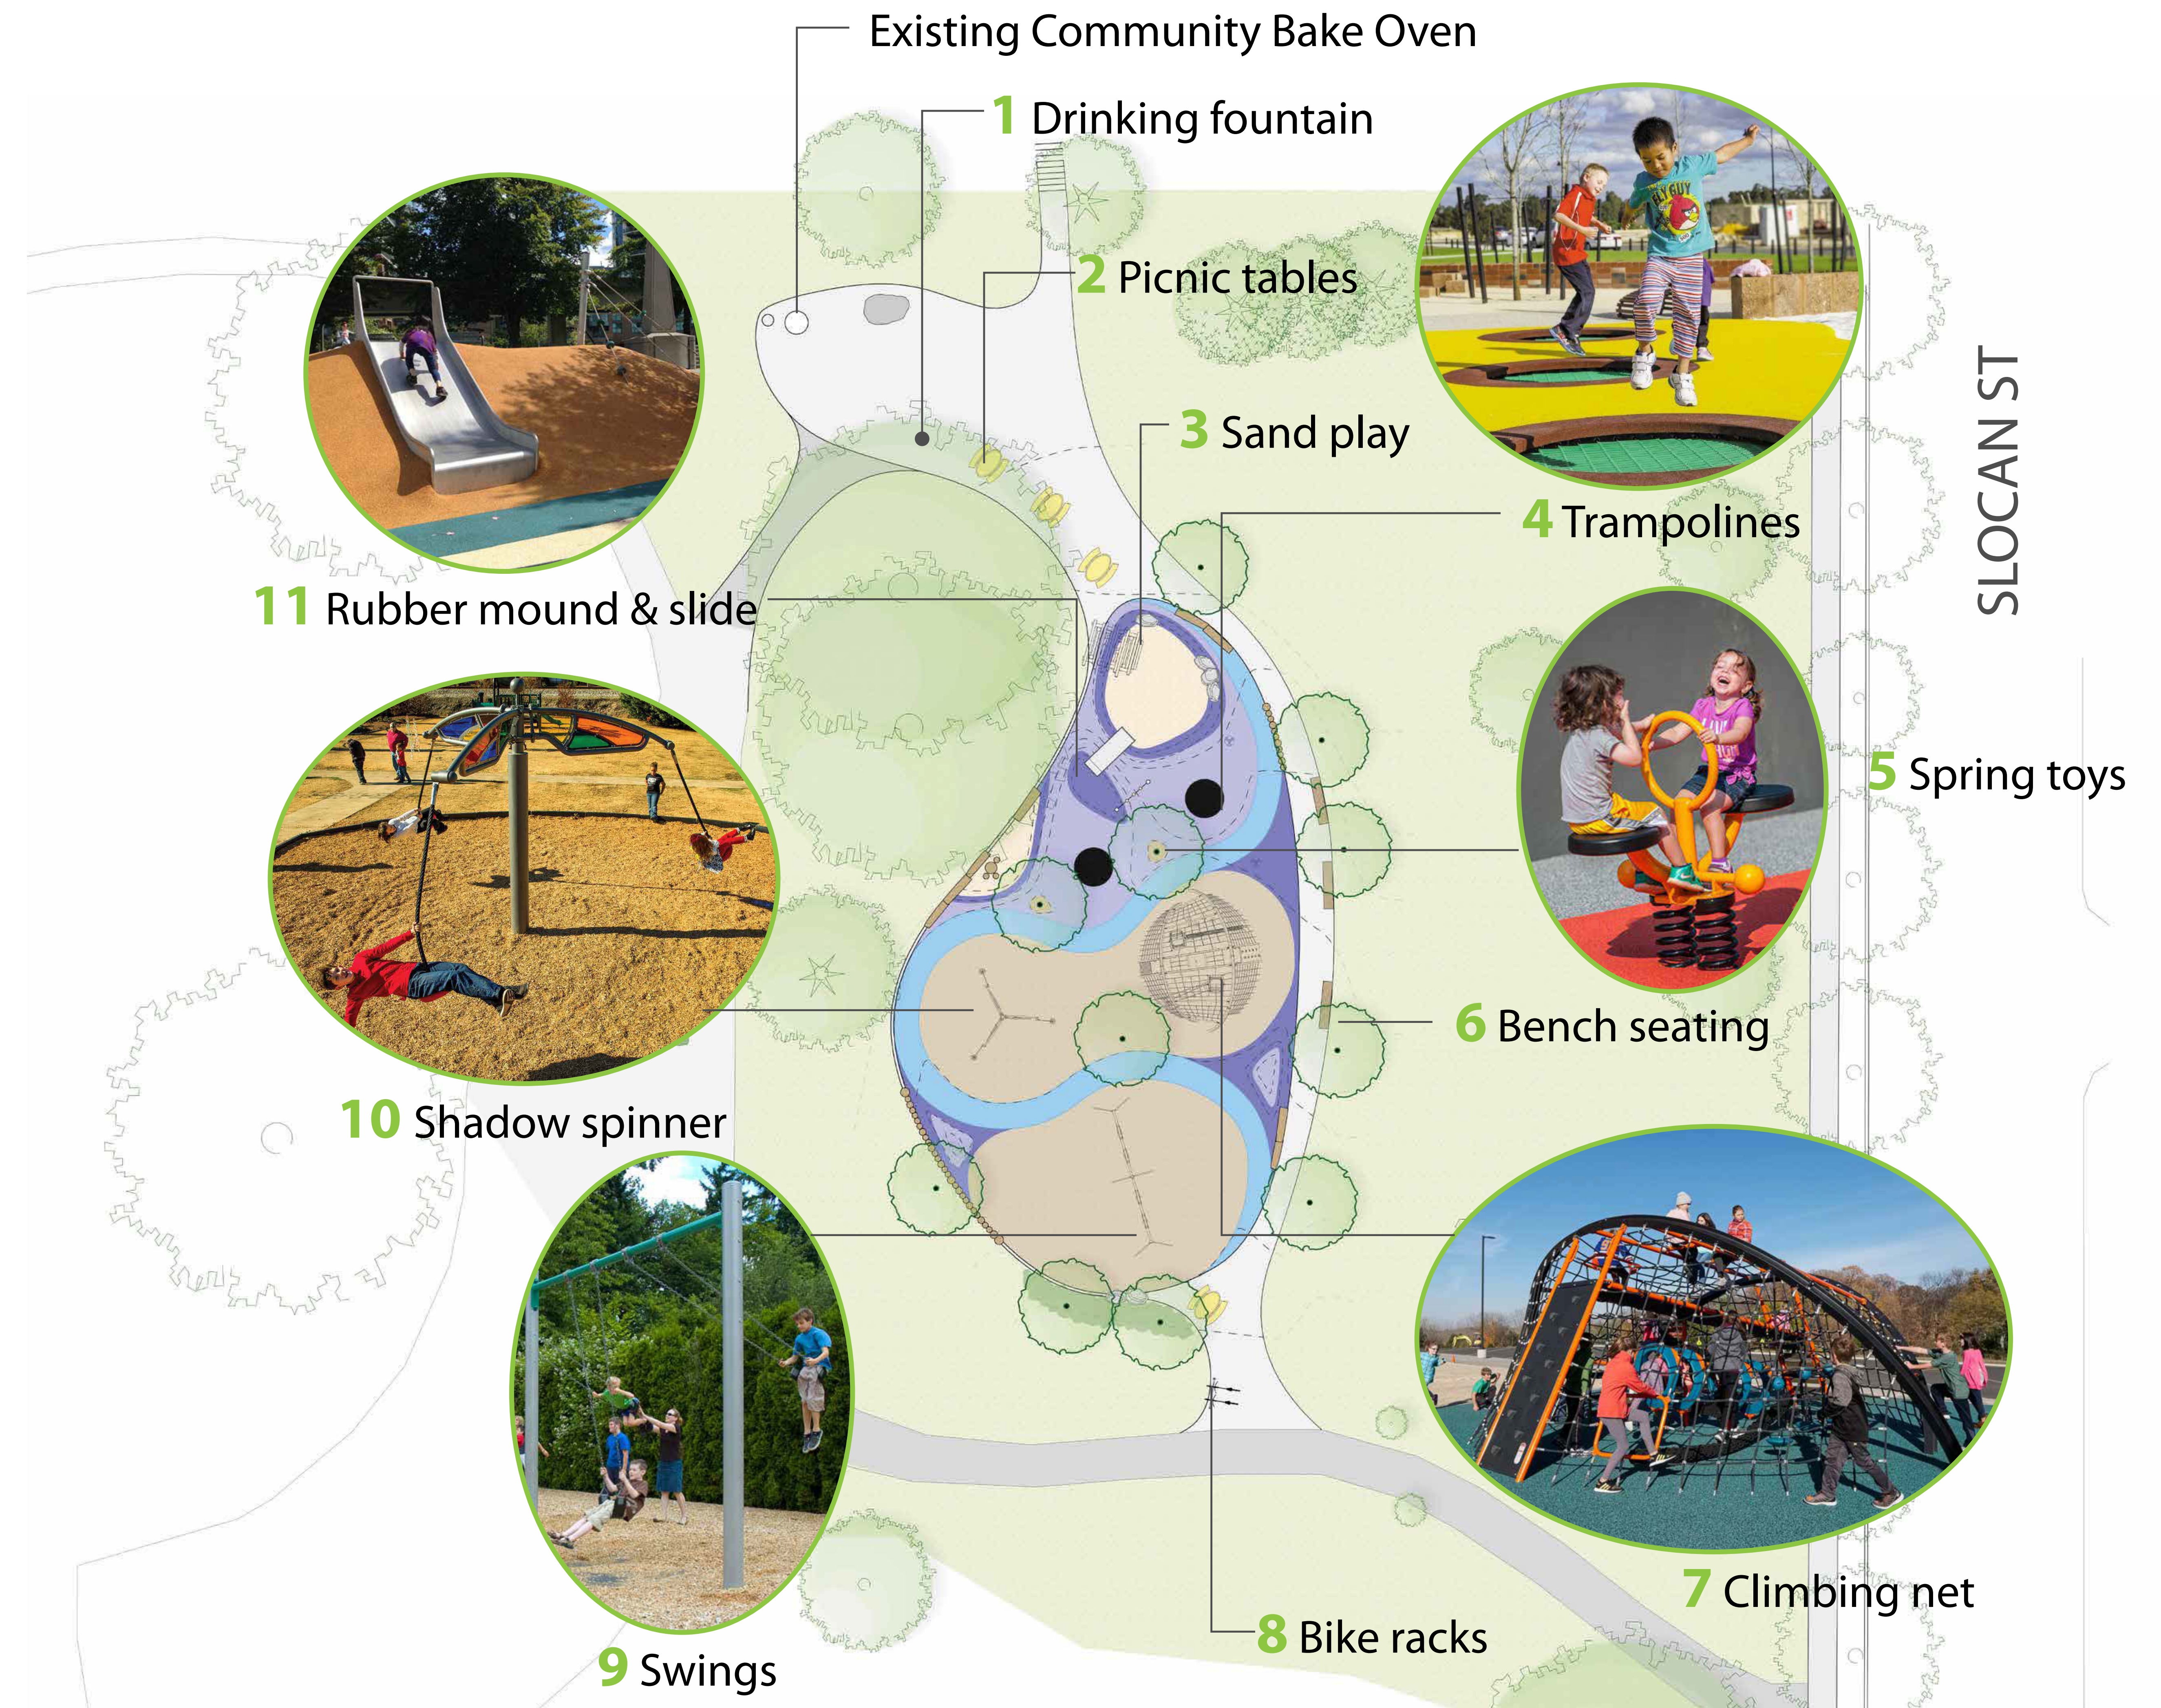

Construction will take place in summer 2019.
