CHARLESON PARK PLAYGROUND

summary

PUBLIC CONSULTATION FINDINGS

Here are the results compiled from the public consultation event and online surveys. What we heard from you will influence the next phase of design going forward.

YOUR COMMENTS

We love all the new paths and stroller parking.

More seating!

We want a spinner because it's fun to go on with our friends!

Lights!

At the school, kindergarteners are monitored by the older kids, so please make sure that they can see them when they are on the playground.

Path to community garden

Kids climb in trees!

Bigger seasaws are good for both adults and kids.
