ALLOWABLE EXPENSES FOR PROGRAM DEVELOPMENT GRANTS

Funds are to be used for non-capital expenditures and may include such things as:

- Planning work to assess community needs or the viability of a program;
- Incorporating and licensing a centre;
- Developing policies and procedures;
- Recruiting and/or training staff;
- Board development; or
- Fundraising for capital costs and operating expenses during the start-up phase.

Program supplies (such as books, toys, art supplies, etc.) are eligible, up to a maximum of 20% of the total grant amount. Grants cover expenses incurred any time in 2021/2022. If your program expanded or was newly created earlier this year and the work was complete before the application deadline, you may still be eligible for funding. Please contact us to discuss.

GRANT ALLOCATIONS

There is no set maximum for Program Development grants, however, funding is limited and grant allocations are dependent on available funds and the number of successful applicants.

Applicants will be notified of staff recommendations in advance of the Council meeting date in July 2022 and December 2022.
