

VANCOUVER CITY HALL PARKING | MICRO-WEDDINGS

There is only free parking for two wedding cars and the officiant's car during the ceremony. You must move your vehicle if you plan to take photos after your 30 minute ceremony, so that the next party can park. Entry into City Hall is through either of the two entrances indicated. Once inside, please follow the signage to take the elevator or stairs to the third floor. Please wait in the Cascadia Room until your ceremony start time. Your officiant will need to go over some documents before your wedding starts, so plan accordingly. Washrooms are available off the main floor lobby before your ceremony and in the third floor foyer during your ceremony timeslot.
