

City of Vancouver Heritage Award winners (1998 - 2006)

2006 AWARD WINNERS

2006 Awards of Recognition

- **Rose Garden Cottage**
An Award of Recognition is conferred upon the Vancouver Board of Parks & Recreation, Dietlein Construction; and Whistler Forest Products Corporation, for the 2005 exterior rehabilitation of the Rose Garden Cottage in Stanley Park, using log base and siding and employing traditional construction methods. Included with this renovation was the conversion of the second floor bedrooms into administrative offices for the Stanley Park Zoological Society.
- **City Square Property Holdings for Stained Glass Windows**
An Award of Recognition is conferred upon City Square Property Holdings for the preservation of the 1908 stained glass windows from the auditorium of the Normal School and re- installation in their original location, supporting the heritage values of the City Square complex which incorporates both Normal and Model Schools, and in celebration of the 100th Anniversary of the Model School in 2005.
- **Perri Domm & Goodbye Graffiti**
An Award of Recognition is conferred upon Perri Domm & Goodbye Graffiti for the advocacy of heritage preservation activities and neighbourhood revitalization in developing processes and products that sensitively remove graffiti from heritage buildings without damaging valuable historic materials.
- **Roddington Apartments**
An Award of Recognition is conferred upon Elizabeth Vander Zaag, owner, and Charles Haynes, designer/contractor, for the retention and rehabilitation of the original lower level of this modest vernacular apartment building, and the consequent enhancement of the streetscape.
- **Heritage Hall, Biography of a Building**
An Award of Recognition is conferred upon Marian Gilmour, author and publisher, Gail Buente, co-author, and the Heritage Hall Preservation Society for Heritage Hall, Biography of a Building, which celebrates the stories of Heritage Hall in words and photographs as a community effort in documenting the heritage conservation of this significant heritage building tracing its history from a post office to a community facility.

City of Vancouver Heritage Award winners (1998 - 2006)

2006 Awards of Merit

- **Leslie Lane House**
An Award of Merit is conferred upon Umberto Menghi, donor, Ramsay Worden Architects, and This Old House Committee, Vancouver Heritage Foundation, for the rescue and rehabilitation of the Leslie Lane House, preserving an "A" listed lane house, a genre once prevalent in Vancouver, and recreating its original residential use in the sympathetic context of the Mole Hill community, while also contributing to the Vancouver Heritage Foundation's development program. The jury also commends the City of Vancouver for its stewardship role in this project.
- **Albert J. Dana House**
An Award of Merit is conferred upon Keate & Co., Designers, and Farpoint Architectural, for the tasteful restoration and rehabilitation of the Albert J. Dana House, 1699 Matthews, preserving an eclectic 1911 Tudor Revival house and contributing to the conservation of the historic First Shaughnessy neighbourhood.
- **Top 10 Endangered Sites and Bus Tour 2005**
An Award of Merit is conferred upon the Heritage Vancouver Society for its education and advocacy in compiling the annual Top Ten Endangered Sites list and organizing the Bus Tour 2005, a publication and activity that effectively raises awareness of conservation issues citywide.

2006 Award of Honour

- **SFU The Segal Graduate School of Business**
An Award of Honour is conferred upon Simon Fraser University, Paul Merrick Architecture, and Donald Luxton and Associates, Heritage Consultant, for the elegant preservation of an "A" listed temple bank in the heart of the financial district and its adaptive re-use into a graduate business school, restoring its exterior façade, and preserving many of its original features, while providing a highly visible, accessible, and positive public example of heritage conservation in downtown Vancouver.

2005 WINNERS

2005 Award of Recognition

- **Shaw House - 2310 Ash Street**
Cressey Development Corp., Chernoff Thompson Architects and McGinn Engineering & Preservation Ltd.
For: The retention and adaptive re-use of the 1894 Shaw House, a remnant of the earliest residential development on the south shore of False Creek.

City of Vancouver Heritage Award winners (1998 - 2006)

- **Dr. Sun Yat-Sen Classical Chinese Garden Expansion Project**
Dr. Sun Yat-Sen Garden Society of Vancouver, Joe Y. Wai Architect Inc., and Makam Construction Ltd.
For: Its contribution to neighbourhood revitalization and as a good example of expanding a civic heritage resource to further accommodate community events and programs, thus also expanding the garden's public base and ultimate economic security.
- **Charlotte Murray**
For: Her contribution to heritage conservation in Vancouver.

2005 Award of Merit

- **The Heritage Apple Orchard/Strathcona Community Gardens**
Strathcona Community Gardeners Society, Environmental Youth Alliance, and the Vancouver Foundation
For: Conserving, and promoting the continued use of apple varieties that were grown during the early years of European settlement in the Lower Mainland. This submission is commended for being a community endeavour which involves the horticultural training of youth and others and suggests a definition of heritage transcending the traditional emphasis on building and garden.
- **Open Vancouver Heritage House Tour**
Vancouver Heritage Foundation
For: Its highly successful public effort in building community heritage awareness, expanding our knowledge of the city's diverse architectural history, and providing the opportunity to visit private homes in different neighbourhoods through the Open Vancouver Heritage House Tour 2004.
- **Breaking News: The Postcard Images of George Alfred Barrowclough**
Authors Fred Thirkell and Bob Scullion and Heritage House Publishing Co. Ltd.
For: The extensive research, the collection and publication of privately-owned historic photographs, and the meaningful narrative which all combine to enrich the historic record of early Edwardian Vancouver.
- **122 Powell Street**
Motivation, Power & Achievement Society, Davidson Yuen Simpson Architects and Stonebow Renovations Inc.
For: The reconstruction and restoration of the 122 Powell Street facade and enhancing this block of Powell Street and contributing to the pride and vitality of the neighborhood.
- **Christ Church Cathedral**
Christ Church (Parish) Cathedral, Iredale Group Architecture and proscenium architecture + interiors inc.
For: The rehabilitation, seismic upgrading, and the revelation and conservation of some of the original interior elements of Christ Church Cathedral, all of which contribute to the ongoing viability of the historic church use.

City of Vancouver Heritage Award winners (1998 - 2006)

- **St. Paul's Hospital Envelope Stabilization Project**
Providence Health Care Group, McGinn Engineering & Preservation Ltd. and Van Den Kerkhof & Son Masonry
For: Their use of innovative engineering techniques and conservation methods in upgrading this heritage building, and in particular for the sensitive seismic upgrading and skilled attention to detail.

2004 WINNERS

2004 Awards of Recognition

- **The Corkscrew Inn**
An award of Recognition is conferred upon Wayne Meadows for the adaptive reuse and rehabilitation of the interior and exterior of The Corkscrew Inn.
