

## INSTRUCTIONS

Visit <https://viewer.mapme.com/generatordata>

Look at the data and think about where generators are being used the most. Pick 5 locations, one in each of the 5 quadrants. Fill out the form below and email back!

- Only one site per quadrant
- The site must currently have at least 20 uses per year within a 1-2block radius; OR
- The site has the potential to draw in at least 20 uses per year from a 2-10 block radius
- OPTIONAL: Mark the map by adding a Comment

## PICK FIVE LOCATIONS

**Downtown**

**Northwest**

**Northeast**

**Southwest**

**Southeast**
