# Grandma on the Move

WILL'S JAMS FEATURING CHARLOTTE DIAMOND

## CHORUS

So many ways in this city to get around  
You can walk, you can bike, or take a bus around town  
I walk with my friends when I go to school  
My friends walk with me when we go to aqua fit at the pool

Hey there mom, we're driving too quick  
Please be patient, that Nana's got a bad hip  
If you make me rush, I just might slip  
Then it will take much longer, to get on with your trip

## CHORUS

Need someone to walk with, I'll hold your hand  
Need a ride to the doctor's, we'll pick you up in our van  
I'd love to go together, You can go with us  
You know, they're always great to us, when we ride the bus

## CHORUS

We're driving at night, it's dark, wet and dank  
Dad let's be careful, hey look there's Grandpa Hank  
It's often raining, it's no time for a prank  
Do it for us, and we'll both say thanks

## CHORUS

I love you Nana, want you to stay fit  
Well, I love to walk when I can, and I even bike a bit  
When you're out with your friends, please take care,  
Oh, the drivers will see me, with the colourful clothes  
I wear.

# Boost Me Up

WILL'S JAMS

## CHORUS

Boost, boost, boost  
Boost me up now  
Nice and high so I can see  
That's where we both will meet now  
When we are sitting in our booster seats

I want to be nice and tall  
But I'm still a little small  
I want to see out the window  
When we are driving to the mall, so

## CHORUS

Seatbelt should cross my shoulder line  
That's how my booster seat's designed  
I need it until I'm nine years old  
Or until I've grown to four foot nine

## CHORUS

Dad's seat is built for daddies  
Mom's seat is built for mommies  
I need a seat that's built for me  
Not a seat built for crash test dummies
