DEFINITION OF THE PROGRAM

The group purchase agreement requires that an organization register **a minimum of 10 individuals and purchase a minimum of 10 individual passes** in order for its members to obtain a 25% group discount on Flexipass purchases.

Organizations enrolled in the Park Board's group purchase program must maintain a minimum registration of 10 active users in order to remain eligible to purchase Flexi-passes at the group discount rate.

Once the purchase agreement is processed, additional individuals from the same organization may join the program at any Park Board fitness centre, pool, or ice rink. New members will be added to the organization's processed agreement form and a discounted Flexipass issued accordingly. In order to participate in the group Flexipass program, all individuals from an organization must provide **a recent pay statement, a valid organization membership card (with expiry date) or a letter on corporate letterhead indicating that they are members of the applicable organization.**

Please note that individuals aged 65 years of age or older are not eligible for the group purchase program (due to existing discounted Flexipass programs in place for seniors and youth).

Definition of Flexipass:

Flexipasses provide unlimited admission to all Park Board fitness centres, indoor and outdoor pools, and ice rinks. Flexipasses are issued for 1, 3, and 12 month durations, and are not transferable. Passes may be purchased at any Park Board operated facility and used at all eligible facilities in the Park Board system.
